

ANKIT SINGH

B.Tech Computer Science Engineering | 3rd Year

Hathras, Uttar Pradesh | 8384884559 | ankitsingh21210672@gmail.com

LinkedIn: [ankit-singh-55130b339](https://www.linkedin.com/in/ankit-singh-55130b339)

CAREER OBJECTIVE

Motivated Computer Science Engineering student with a strong interest in Artificial Intelligence, web development, and software development. Eager to apply programming and problem-solving skills through internships, projects, and real-world technology challenges while continuously learning and growing.

EDUCATION

B.Tech – Computer Science Engineering

Raja Balwant Singh Engineering Technical Campus

Intermediate (Class XII) – Uttar Pradesh Board

3rd Year

AKTU

67% | 2023

TECHNICAL SKILLS

Programming: Python, Java

AI: Generative AI, AI Concepts

Web: HTML, CSS, JavaScript

Other: Problem Solving, Git/GitHub

PROJECTS

Personal Portfolio Website

- Developed a responsive personal portfolio website to showcase education, skills, projects, and contact information.
- Implemented responsive navigation, interactive sections, profile section, and contact form with input validation.
- Designed a clean and user-friendly interface for desktop and mobile devices.

Task Flow – To-Do List

- Developed a task management web application for adding, managing, and completing daily tasks.
- Implemented an interactive user interface with task status management.
- Designed a responsive layout for easy use across different screen sizes.

Expense Tracker

- Developed a web-based expense tracker to record and manage daily income and expenses.
- Implemented dynamic transaction handling and expense calculation using JavaScript.
- Created a simple and responsive interface for managing personal expenses.

Music Player

- Developed a browser-based music player with an interactive and user-friendly interface.
- Implemented music playback controls such as play, pause, next, previous, and progress tracking.
- Designed a responsive interface for a smooth user experience.

Ankit Blog Website

- Developed a responsive blog website for publishing and displaying blog content.
- Created structured sections for blog posts with an easy-to-navigate user interface.
- Focused on clean layout, responsive design, and user-friendly presentation.
-

CERTIFICATIONS

Google Cloud – Generative AI / Google Cloud learning certification

NCVET – Course On Computer Concepts (CCC)
